Dated: 26<sup>th</sup> November, 2008.

## **ORDER**

Whereas, the Election Commission has been following the policy of compulsory identification of electors by means of specified identification documents at elections to the House of the People and Legislative Assemblies from the year 2000 onwards, so as to prevent impersonation at elections thereby making the right of genuine electors to vote under section 62 of the Representation of the People Act, 1951 more effective; and

2. Whereas, keeping in view the provisions of Rules 35(3) and 37(2)(b) of the Conduct of Elections Rules, 1961, the Commission has been issuing directions that the electors at election to House of the people and Legislative Assemblies shall produce their Electors Identity Cards or other specified documents at the polling station and failure or refusal on their part to produce those Electors Identity Cards or documents may result in the denial of supply of a ballot paper to them and permission to vote; and

3. Whereas, the said provisions regarding identification of electors and safeguards against personation are equally applicable at elections from Graduates' and Teachers' Constituencies of the State Legislative Council and as the electors in these constituencies are also electors in assembly constituencies, they may have been supplied with Electoral Identity Cards as electors in their respective Assembly Constituencies;
